Message From President, Tom Warner

It's November already!! We have already seen a little bit of snow and cool temperatures. Hopefully soon the snow will be piling up and our trails will be open all season!

Before trails can open though, we need to get them brushed and signed. We will be having our brushing and signing day on November 12th. Meet at the groomer shed on 13th Ave at 8:00 am. The chili dump will be after we are done brushing and signing. We will meet at the Town Hall around noon. This is always a great time. Beverages will be supplied by the club. I hope to see everyone there!

Mark your calendars for Christmas in Rome on December 3rd. There are lots of fun things for the kids and adults that day. Please get ahold of Melissa if you can help with the event and with tree and decoration setup on November 20th & November 23rd. It would be greatly appreciated!

We had a representative from the Children's Miracle Network at our last meeting to speak to us about the CMN telethon in December. The Rome Sno Bandits will be manning the phones for a couple hours during the telethon on Friday December 2nd. Thanks to Jim Fisher for suggesting the club participate and for handling all the logistics for us!

One last thing, please get your membership dues sent in. When sending in dues please remember to fill out the membership form. It helps get your information entered correctly.

As always,
THINK SNOW!

Tom Warner
President

Informal Safety Class

Gary Gevers will lead an informal safety class after our December 10th meeting. We will have law enforcement and fire and rescue there to speak and answer questions. We will cover regulations surrounding snowmobiling and what to do in an emergency. This is always a popular event. Please plan to join us!

Message From Trail Boss, Jerry Wiessinger

We had a trace of snow recently which got everyone thinking about the coming snowmobile season. The trails will be opening, weather permitting, in less than 50 days. Where did summer go?

The Trail Committee has been working hard to get the trails ready. I have been working on trail re-routes and obtaining trail easements. Things are starting to come together, but there is a lot more to do. Gary and I inspected all the trails to determine which ones needed the Brush Cutter to go through ahead of the mower, and to make note of trees across the trail or any other work needed on Brushing/Signing day which is November 12th. Gary has taken the Brush Cutter out on a couple trails to trim back the trees to widen the trails where needed. We will be mowing all the trails before November 12th.

Gary will have moved the 8ft drag to Hoffman's by the time you read this. That will make a huge difference in the room available in the groomer shed. He has also re-organized the shelving, which is a big improvement.

We will be holding a Trail Section Leader meeting soon to discuss proper signing methods, so all our trails are signed the same. We are purchasing the new yellow/black arrows to replace many of the old orange/black arrows that have faded to the point of not being legible. We have purchased a drill press and will be getting a miter saw which will make it easier for the volunteers when making up signs.

John is working on getting the equipment serviced and ready, so it is available when needed. The New Holland tractor has been returned from Sand Valley who had rented it for the summer.

REMEMBER TRAIL BUSHING/SIGNING DAY ON NOVEMBER 12th, 8:00am at the Groomer Shed. Bring your loppers, pole saws, chain saws, etc. We will need a couple trailers to haul the cut off limbs from along the road right of way to the Transfer Site.

Jerry Wiessinger
Trail Boss

Message From Vice President, Bryan Meyer

November is here, wow! Not sure about you but this is my favorite time of year. Cool nights and hopefully warm days.

Lots going on with trail brushing and signing nipping at our heels. Hope to see you all there. You bet we are going to have Petenwell Palooza Fisheree raffle tickets for you to BUY and we will have tickets available for you to take and sell! Please don't spend all your money on Friday night! Save a little for the club! The sale of these tickets goes a long way for the Fisheree and help make the club some money. It also gives you a good chance to win some really cool prizes too. Definitely keep Jan 14th, 2023, open as we would like to see you at that Lure for the Fisheree.

Please check out the other events coming in the Event section of the newsletter. Get those sleds out and ready. Get your trail passes and registration! Most importantly, do the snow dance! It's almost that time! See you all soon and Thank You for being a Sno Bandit! BRAP!

Bryan Meyer
Vice President

Saturday, November 12th, 2022

8:00 am – Trail Brushing & Signing

Meet at the Groomer Shed located at 302 - 13th Ave. (Off Alpine Drive) Bring gloves and any trimming equipment you might have. Lobber shears, chainsaws, and pole saws are helpful. We have Section Leaders and will split up in to groups to sign and brush each section. This usually takes 3 - 4 hours to complete.

If you have any questions, please contact
Jerry Wiessinger at (920) 360-6701 or jerry@wiessinger.com

12:00 Noon – Chili Dump

When the work is completed, we will meet at **The Rome Town Hall** for our chili dump. Please bring a half gallon or so of unfrozen chili to be mixed together. You are welcome to bring other goodies like snacks, breads, desserts, or anything you would like to go along with the chili dump. Please drop off your unfrozen chili at the Groomer Shed at 8:00 am or at The Rome Town Hall before 10:00 am so we have time to heat it up! Ziploc bags work the best as there are less dishes to wash.

We need volunteers to help the day of chili dump with set up, kitchen help & clean up. Please contact **Suzanne Kostreva** at (262) 844-5995 or RSBMembership@gmail.com with question and to sign up to help.

1:00 pm – November Monthly Club Meeting

Following our chili dump, we will have our monthly club meeting at **The Rome Town Hall** along with a 50/50 raffle.

Adams County Snowmobile Association Minutes October 6, 2022 - Cedar Shack

The October 6, 2022 meeting was called to order at 7:01pm by President Gordy Carlson. There were 16 members present. All clubs were represented except Coloma, New Haven and Oxford.

The **Secretary** read the minutes from the September 1st meeting. There were no changes. A motion to accept was made by Todd Stammen and seconded by Bryan Meyer. All in favor, motion carried.

The **Treasurer** reported that she received map ad money and dues. She paid the insurance and the ACSA web site. There is a balance of \$xxxx in the checking account. A motion to accept was made by Bryan Meyer and seconded by Nancy Carlson. All in favor, motion carried.

Darren told us that there was \$7.5 million in State funds. Equipment rates are going up, \$10 per machine but no per mile changes. All this information is available in SNARS. The bridge in Arkdale has been approved but not yet by the State.

Steve brought samples of map quality for us to choose from. Last maps seemed to tear easily and we needed to look at other options. Much discussion about thickness and how many maps to order. He told of the difference in price between ordering 6,000 or 8,000 maps. A motion to order 8,000 maps on the middle thickness stock paper was made by Nancy Carlson, seconded by Todd Stammen. All in favor, motion carried.

He requested **all clubs** to please **bring in all their old maps to the November meeting** (from 2021-2022 seasons) for Darren and Visit Rome and the Adams Chamber to take to the events and trade shows they attend.

He also brought up the need for gates for trail closures. He asked Darren if there were signs reading 'Trail Route Changes'. Are there 'Detour' signs available. Darren will check on that.

Old Business: None

New Business: We will be changing the ACSA logo, voting at the next meeting. The fall workshop is this month in Rothschild.

A **motion to adjourn** was made at 7:36pm was made by Nancy Carlson, seconded by Melissa. All in favor.

The next meeting will be on October 6th at Cedar Shack.

Kathy Halverson, Secretary
