Message From President, Tom Warner

Welcome to Fall! Hard to believe its October already but here we are! There is lots of things to do to get ready for the best season of all, WINTER!!

We attended the International Snowmobile Hall of Fame induction ceremony the weekend of September 16th and what a weekend it was. On Friday night, we were presented our award by the grandson of the founder of Woody's Traction, who sponsor the International Club of the Year Award. We were recognized again on Saturday evening when the individual inductions took place. On Sunday we were able to coordinate with the International Dealer of the Year, Trackside from Eagle River, to tour their dealership and get pictures taken together. Everyone I spoke with is thoroughly impressed with our club, from our ability to fundraise to the way our members volunteer tirelessly to better our club all while having fun doing it! As I've said since we won the AWSC Club of the Year Award in 2021, you all are amazing and should be very proud of your club!

Reminder, roadside pickup is after our October 8th meeting. If we get a good turnout, it will go very quick and it keeps Rome looking beautiful!

Don't forget to get your membership renewed if you haven't done so. The process to get your membership in to AWSC and have them processed takes several days. You don't want to get caught having to wait to order your trail pass. Your membership must be current to get your discounted trail pass.

It is also time to start checking out your sled and trailer. Dealers will be busier than normal this year due to employee shortages and parts shortages.

Don't forget to mark your calendars for the November 12th trail brushing and famous chili dump! Meet at the groomer shed on 13th Ave at 8am! The monthly meeting will be held after the chili dump.

Jerry Wiessinger, our new Trail Boss, has been very busy getting things ready for the season. He has made up a trails committee that exists of John Steinke and Gary Gevers. This committee is getting ready for the mad rush that is preparing the trails for the season from mowing all the trails to reroutes to making sure we have all the signs as well as landowner permission just to name a few things! Jerry will be utilizing volunteers for various tasks. If interested in getting on the volunteer list, please talk with him at a monthly meeting.

I hope to see all of you at our October meeting, and as always,
THINK SNOW!

Tom Warner
President

Message From Trail Boss, Jerry Wiessinger

Normally you would be hearing from Larry Halverson in this article. Unfortunately for us, God had another job for him and took him from us. Hopefully, he is working with Mother Nature to give us a lot of snow this year.

The Trail Committee consisting of John Steinke, Gary Gevers, and myself are attempting to fill the big shoes that Larry left behind. We have divided up the area of responsibility that Larry took care of so each of us will be able to concentrate on a portion of the work necessary to provide excellent trails for you to ride on. I accepted the position of Trail Boss so that there is a “go-to” person, but the job is being managed by the Committee. We will need volunteers to help so let us know if you are interested in helping.

I have been working on getting the Country Sports trail opened back to the original trail. Alliant Energy that owns the Solar Project in Saratoga has been very cooperative and I am optimistic that we will be able to open that trail again. Currently, I am only aware of one other reroute which is on the Lure trail that needs to be handled. Details are being worked out. Let me know if you hear of property ownership changes that could affect a trail.

One of the ideas that came out of the Committee meetings was to store the small 8 foot drag outdoors with proper protection to free up desperately needed room in the groomer shed. This drag is not used often, but if the large drag developed a major issue, we need to be able to put the small drag in to service quickly. Cary Hoffman, Hoffman Trucking & Excavating has offered us an area in his yard at virtually no cost to store the unit where it will be readily available when needed. By doing this, we have eliminated the need to expand the groomer shed in the foreseeable future. Thank You Cary!!

REMEMBER, Trail Brushing and Signing on Saturday November 12th, 8:00 am at the Groomer Shed.

THINK SNOW!
Jerry Wiessinger
Trail Boss

Message From Vice President Bryan Meyer

We aren't making ice out there yet but we are in full Fisheree mode! Every day we get a little closer. We just had another concession stand at the Trapshooting Range to help offset the costs of the fisheree. Thanks to all that volunteered their time to run it and thanks to those who supported it by stopping by. Much appreciated! If you have any resources for items that we can use in our raffle baskets, every donation helps. Last year we have approximately 35 baskets to fill. We plan on doing that again this year. We also need door prizes. Booze is another big thing we could use for the raffles. Keep us in mind. If you can't help with donations, we plan to sell a lot of raffle tickets this year. We will have them at the meetings and at trail brushing. We need your help selling these. Last year we sold 3000 tickets. We are shooting for 5000 this year! Lastly, but just as important, if you can't donate or sell raffle tickets, please mark that calendar with January 14th as the day you are going to the Lure for a day of adventures!

If you want to help out with this event just let Melissa, Gunnar, or myself know and we would be happy to have you.

Bryan Meyer
Vice President

Club ATV/UTV Ride October 8th, 2022 – 1:00 pm

The ride will be on the Rome portion of the trails. Meet at the Rome Town Hall. Bring a map and a phone. You'll be given GPS coordinates of 10 spots on the trails with hidden letters. Locate all of the letters to unscramble the bonus word. Once the ride is complete, meet at Cal's Corner for dinner and drinks. Please RSVP to the Facebook event so that we can get an idea of how many people will be attending. Reach out to Casey <casey.shilling@gmail.com> or (414) 852-0903 or Dan (608) 354-5634 or danlyman80@gmail.com> if you have any questions.

Open Director's Position

Nominations will be taken at the October 8th meeting to fill the remaining term (a little over 2 years) of the vacant Director's position that Jerry Wiessinger held. Following nominations, we will be voting on that position. Nominations can also be made by contacting a board member prior to the meeting.

Christmas In Rome

Our club is working with the Romemakers to bring the kids and our community another fun Christmas in Rome. We are looking for people that would like to help with this event. We can use help with tree set up and judging, decoration setup and creative people to come up with festive ideas. We are also looking for people to volunteer a few hours on the day of the event. Please contact Melissa if you are able to help!

Adopt-A-Highway Road Pickup October 8th ~ Following Club Meeting

Our club is part of the Adopt-A-Highway Program. Adopt-A-Highway was initiated by the Wisconsin Department Transportation many years ago. It was an opportunity created to allow organizations to help in beautifying our state's highways by picking up trash two to three times a year. This is an all-volunteer program and there is no cost to our club. The Department of Transportation in each County provides bags, signs, vests, and flags to be used during the pickup. The Rome Sno-Bandits applied to adopt the section of Highway 13 from County Road D to Adams Ave (County Line) in August of 2012. We conduct pick up in the spring and fall of each year. As a club, we feel that it is important to give back to our community for the support they have provided us over the years. We take pride in helping to keep The Town of Rome looking great. Please help represent the Rome Sno-Bandits by volunteering for an hour after our club meeting. The more volunteers we have, the quicker the job will go. Please wear gloves and dress appropriately

Annual Trail Brushing, Chili Dump, & November Club Meeting

Saturday, November 12th, 2022

8:00 am – Trail Brushing & Signing

Meet at the Groomer Shed located at 302 - 13th Ave. (Off Alpine Drive) Bring gloves and any trimming equipment you might have. Lobber shears, chainsaws, and pole saws are helpful. We have Section Leaders and will split up in to groups to sign and brush each section. This usually takes 3 - 4 hours to complete.

If you have any questions, please contact
Jerry Wiessinger at (920) 360-6701 or jerry@wiessinger.com

12:00 Noon – Chili Dump

When the work is completed, we will meet at **The Rome Town Hall** for our chili dump. Please bring a half gallon or so of unfrozen chili to be mixed together. You are welcome to bring other goodies like snacks, breads, desserts, or anything you would like to go along with the chili dump. Please drop off your unfrozen chili at the Groomer Shed at 8:00 am or at The Rome Town Hall before 10:00 am so we have time to heat it up! Ziploc bags work the best as there are less dishes to wash.

We need volunteers to help the day of chili dump with set up, kitchen help & clean up. Please contact **Suzanne Kostreva** at (262) 844-5995 or RSBMembership@gmail.com with question and to sign up to help.

1:00 pm – November Monthly Club Meeting

Following our chili dump, we will have our monthly club meeting at **The Rome Town Hall** along with a 50/50 raffle.

*This event has turned into a Sno-Bandits tradition kicking off the snowmobile season.
It is a great time to help your club while having fun and getting to know fellow club members.*

Minutes from the Rome Sno-Bandits Meeting September 10th, 2022

The meeting was called to order at 9:03 am with President, Tom Warner, as the chair and 5 officers present. There were 44 members in attendance. The Pledge of Allegiance was said.

Secretary's Report

There were no changes to the Secretary's report. A motion was made by Jerry Wiessinger to accept the report as it was presented in the newsletter. Jim Fisher seconded the motion. All were in favor. Motion carried.

Treasurer's Report

Cathy Steinke reported on the checking & savings account balances. Willy Sandfox made a motion to accept the Treasurer's report. Bob Sweet seconded the motion. All were in favor. Motion carried.

Trails Committee Report

With the passing of our Trail Boss, Larry Halverson, we will be taking nomination for a trail boss during new business.

Jerry Wiessinger gave the report. The committee met on September 6th. They would like to make more room in the groomer shed. Jerry will look into moving the 8' drag outside. There is outdoor storage restriction in the Town of Rome so a fence would be needed. A heavy tarp to cover it for protection from the elements would be needed. Some stumps and brush might need to be removed as well. Fencing would run around \$1,200 and a tarp would cost \$60 - \$80 each.

Ted Sorenson made a motion to sell the 6 ½' disc that is no longer being used. Jeff Parmeter seconded the motion. All were in favor. Motion carried. Jerry will advertise the disc for sale. The committee would like to replace it with a box scraper with an estimated cost of \$900.

Help is needed after the meeting to move sign barrels at the groomer shed.

Thank you, Dawn Kalata, for making and donating a memorial banner for Larry. It will be placed above the door at the groomer shed.

Alliant Energy approved use of land outside the fence area.

Sand Valley is working with Jerry to reroute the trail to the Lure.

November 12th is Trail Brushing.

The board agreed to sell the brush guard that can't be used with our current tractors.

If anyone is interested in being on the Trail Committee, please contact Jerry Wiessinger. We are looking for several people to help fill Larry's duties.

Social Committee Report

A get-well card was sent to Marci Wiessinger and Larry Halverson. A get-well card will be sent to Debb Schmarje. A sympathy card was sent to Maria Klasinski for the passing of her father and to Kathy Halverson for the passing of her husband Larry.

The balance in the kitty is \$188.80.

Activities Report

Car Show: Raffle ticket sales were down. Registration was good. Jeff Parmeter did a great job transitioning to take over as car show leader. The event was a fun day and the weather was great.

Club Trip: Our club trip will be January 26th – 29th, 2022. We will be staying at the Rustic Manor Motor Lodge in St Germain. Melissa will continue to work with Reg from the Northern Lights Snowmobile Club in Three Lakes about doing a trail ride with their club. Melissa is also looking into meeting up with Patty Berghauer and her other club as they will be staying in Mercer. We are hoping to get all three clubs together at some time over the weekend.

4th Prize: Frabill Fortress Ice Shelter - 5th Prize: Full Day Pontoon Rental on Lake Petenwell

6th Prize: Sundolphin 8’ SS Fiji Kayak - 7th Prize: Bose Sound Bar w/Bluetooth

We are asking members to help us sell tickets as the more we sell, the more money the club makes. If anyone would like to be on the fisheree committee, please let Melissa, Gunnar or Bryan know.

Due to the fisheree falling on the day of your January meeting, we will move our club meeting up to January 7th, 2023.
